JACKIE ROBINSON
By: Hutch Massner

My name is Jackie Robinson,
My number's 42.
It wasn't always easy,
But I kept on pushing through.

I hung out with some friends
And made a few mistakes.
Then, Mr.Anderson came
And helped me change my ways.

In life people tried to scare me,
But I fought back with bravery.
And learned that life's only as important
As the impact that others can see.
